Nyengo ikusinthana... Sinthani nayo limodzi

The climate's changing... so change with it

**Yetsani njira za malimidwe
atsopano, mudzakhala alimi
wopambana mtsogolo.
Tidzakuonetsani mocitira!**

**Trying better approaches will keep
you farming successfully for years
to come. We'll show you how!**

PELUM Zambia ndi kabungwe komwe kali m'cigwirizano comwe cikhudza maiko khumi limodzi olimba, omwe ayanganira makhakidwe ba athu, kum'maba, pakati-kati ndi kumwela kuno kwa Africa. Colinga ceni-ceni ca kabungwe kameneka ndi kuyetsa-yetsa kusintha mukhalidwe wa alimi, maka-maka alimi ang'ono-ang'ono.

PELUM Zambia is part of a 10-country-strong association of civil society organisations in eastern, central and southern Africa working to improve the livelihoods of small-scale farmers.
